The EUIPO Virtual Visits – What is it?

During the Virtual Visit your students (but also your professors, colleagues, researchers, etc.) will have the chance to learn about the EUIPO and get an initial ‘feel’ of the Office before applying for the PES programme.

The virtual visit will include general information about the EUIPO and its different departments and practices, as well as general information about the PES Programme and other academic initiatives.

We believe that these visits could be of great interest for your students to have a first image of the EUIPO and its initiatives but also for the ones interested in applying for a traineeship at the EUIPO through the PES Programme, to receive practical information about it.

Practical information

- The Virtual Visits are held through Microsoft Teams or Zoom.
- Kindly note that there are limitations in the number of participants through MS Teams or Zoom.
- You need to indicate 2 preferred dates of the Q1 2025 available dates, so we can allocate you in the adequate one in case of too many participants.
- Kindly mention the exact number of your participants during the EUIPO Virtual Visit.
- You may address to us any other information/request you may have related to the EUIPO Virtual Visits.
